Life Ways Systems Inc. provides group homes and residential habilitation training to Intellectually Disabled Adults. This service funded through the Home and Community Based Medicaid Waiver Program has provided the back bone of Life Way Systems service since April 23rd. 2002. The service allows individuals to live in and experience a normal community setting rather than an institutionalized setting. Clients are trained in the simple basics of maintaining themselves in a regular home setting. They are also able to enjoy the company of their peers as well as members of the general population as they pursue their daily lives. Group and individual activities are planned to help them maintain a normal life style in the community.
